WORK EXPERIENCE

Intern, JTech Communications

January 2025 – Present

Collaborated with Developers and UX Designers under NDA to create intuitive webpages for multiple businesses within and outside the State of Montana. Utilized design software and coding skills to optimize user experience and interface design.

Package Handler, United Parcel Service

June 2021 – August 2021

Loaded trailers during the night-sort shift from 10:00 PM to 5 AM. Proficient in application of logistics technologies, trained in appropriate handling of hazardous materials. Offered a management position based on performance and leadership.

Shift Manager, Remlinger Farms

May 2017 – November 2019

Managed amusement park attractions to ensure safety and maintenance guidelines were satisfied. Worked with customers and collaborated with teammates to ensure highest levels of customer satisfaction and safety. Led scheduling operations to optimize staff efficiency and customer experience.
